

# Camp Bratton-Green

## Paver Program

Creating a beautiful camp for the youth of our Diocese is always a priority at Gray Center. Currently we want to address a need to beautify an area located between the Rec Hall and Admin Building that is in need of some attention. This space serves as an area for our campers to gather during the summers to share in

community. The Paver Program will help to enhance this area and give our camp family a chance to celebrate our loved ones that have been so positively influenced and forever changed by Camp Bratton-Green. A minimum donation of \$50 reserves a 4"x8" brick paver with space for three lines of text. To be a part of this program, please carefully fill out the order form below and mail it to Gray Center along with your payment. All proceeds will benefit the Camper Scholarship Fund. This area will be completed before summer camp of 2013.

- Please print clearly and double-check your spelling.

- Maximum of 3 lines, 15 characters per line.

- For additional pavers, please attach a separate sheet of paper with text information and send with one payment.
